Professional Summary

Frontend developer with 2+ years of experience building responsive, high-performance applications using React, Next.js, TypeScript, PWA, and RESTful APIs. Delivered 20+ production projects with clean architecture and (WCAG) accessibility. Skilled in developing reusable components, structuring scalable interfaces, and optimizing performance. Experienced in API integration and deployment workflows. Agile team player recognized for problem solving, collaboration, and consistent delivery.

Technical Skills

- **Frontend:** JavaScript (ES6+), React.js, Next.js, TypeScript, HTML5, CSS3, Tailwind CSS, Responsive Design, SPA, PWA, i18n
- **State Management & Data:** Redux Toolkit, Zustand, React Query, MongoDB, Supabase, Prisma ORM
- **Backend & Deployment:** Node.js, Express.js, Next.js API Routes, RESTful APIs, Vercel, CI/CD, Git/GitHub
- **UI/UX & Tools:** Figma, Adobe XD, Mantine UI, Shadcn UI, Web Accessibility (WCAG)
- **Testing & Quality:** Unit Testing, Jest, Code Review, Agile/Scrum, Performance Optimization
- **Soft Skills:** Problem-solving, Team Collaboration, Time Management, Communication, Adaptability

Professional Experience

Frontend Development Trainee, *Gaza Sky Geeks*

Sept 2025 – Present

- Undertaking React Pro training focused on React.js, Next.js, and TypeScript.
- Developing responsive, accessible interfaces with HTML5, CSS3, Tailwind CSS, and PWA/SPAs.
- Implementing state management with Zustand and integrating RESTful APIs.
- Practicing Git/GitHub workflows and UI/UX design using Figma.

Full Stack Web Developer, *Pal-Live*

Sept 2024 – Apr 2025

- Engineered 10+ full-stack MERN applications with scalable architecture and responsive design.
- Designed and implemented RESTful APIs with MongoDB for efficient data management.
- Enhanced UI/UX, achieving 90+ Lighthouse performance scores.
- Collaborated on development workflows using CI/CD pipelines and GitHub for version control.

Projects

Imaginify – AI Image Platform

🐙 GitHub

🔗 Live

- Built AI-powered SPA for image generation and editing using Cloudinary AI API with Next.js 15
- Integrated Stripe for secure payment processing and subscription management
- Optimized frontend performance using code splitting and lazy loading, achieving 85+ Lighthouse score

Washal – Chalet Rental Platform

🐙 GitHub

🔗 Live

- Built property rental SPA with advanced search, image galleries, and responsive UI using React.js
- Implemented MongoDB with Prisma ORM for scalable data management and efficient queries
- Deployed to Vercel with SEO optimization and CI/CD pipeline integration

Wedentist – Medical Content Platform

🐙 GitHub

🔗 Live

- Built CMS with role-based access and REST API integration.
- Developed accessible, mobile-friendly interfaces following WCAG standards.
- Implemented dynamic content management and optimized performance for SEO.

Al-Aqsa Camp Management System (Graduation Project)

 GitHub  Live

- Led frontend using React.js, Next.js, Tailwind CSS, Mantine UI and Zustand.
- Built role-based dashboards for displaced persons and administrators integrating Laravel RESTful API
- Completed ahead of schedule following Agile Kanban methodology with daily standups and sprint reviews

Wejhati – Transportation Booking Platform

 Live

Front-End Developer — Team of 2 Developers

- Built and maintained a real-time booking platform with seat tracking, digital ticketing, and payment gateway integration
- Improved performance and SEO using Next.js server-side rendering and dynamic routing
- Collaborated with another front-end developer to deliver responsive and scalable user interfaces

Education

University of Palestine — B.Sc. in Software Engineering and Artificial Intelligence 2020 – 2025

GPA: 3.56 / 4.0

Thesis: Al-Aqsa Camp Management System — web app for managing aid distribution and displaced people.

Certifications & Achievements

- MERN Stack Full-Stack Bootcamp – Pal-Live (2024)
- Full-Stack Training Program – Tuwaiq Academy (2025)
- (+5 additional certifications available upon request)

Languages

- **Arabic:** Native
- **English:** Professional Working Proficiency
